

WEDNESDAY MAY 7, 2014: SECTOR/PROGRAM SESSIONS

TRACK: COMMERCIAL SECTOR			TRACK: INDUSTRIAL SECTOR	TRACK: BETTER BUILDINGS ACCELERATORS		
REGISTRATION, 7:30-11:30 AM						
				Energy Savings Performance Contracting Meeting* 9:00-10:00 AM		
				BREAK, 10:00-10:15 AM		
				Energy Savings Performance Contracting Meeting* 10:15 AM-12:00 PM		
WELCOME LUNCH, 12:00-1:00 PM						
9 concurrent sessions; choose 1			1:00-2:15 PM			
Lighting Solutions for Commercial Buildings	Reducing Energy Consumption in Restaurants and Kitchens	Advanced Solutions for Packaged HVAC	Energy Efficiency's Impact On Global Competitiveness 1:00-2:00 PM			
Creating Efficiency Through Effective Energy Information Tracking, Analysis and Optimization	Evaluating Renewable Energy Options: Building-Integrated Solar and Biogas Energy	Plug Load Measurement and Control in Commercial Buildings				
Market Solutions	Maximizing Supermarket Refrigeration System Energy Efficiency	Maximizing Energy Savings in Laboratories				
BREAK, 2:15-2:30 PM			Best Practices in Industrial Data Management 2:00-3:00 PM			
9 concurrent sessions; choose 1					2:30-3:45 PM	
Lighting Solutions for Commercial Buildings	Reducing Energy Consumption in Restaurants and Kitchens	Systems Approach to Central Plant HVAC Optimization				
Creating Efficiency Through Effective Energy Information Tracking, Analysis and Optimization	Evaluating Renewable Energy Options: Building-Integrated Solar and Biogas Energy	Plug Load Measurement and Control in Commercial Buildings	BREAK, 3:00-3:15 PM			
Market Solutions	Maximizing Supermarket Refrigeration System Energy Efficiency	Maximizing Energy Savings in Laboratories				
BREAK, 3:45-4:00 PM						
5 concurrent meetings; choose 1			4:00-5:00 PM			
Healthcare*	Higher Education*	Retail*	Overview of DOE's Industrial Energy Efficiency Programs and Resources 3:15-4:45 PM			
Commercial Real Estate & Hospitality*		Food Service & Grocery*				
RECOGNITION CEREMONY: BETTER BUILDINGS CHALLENGE*, 4:00-6:00 PM						

*Closed session or meeting. Members/invite only.

THURSDAY MAY 8, 2014: CROSS-CUTTING SESSIONS

	TRACK: INNOVATIVE REPLICABLE SOLUTIONS FROM MARKET LEADERS	TRACK: MAKING ENERGY EFFICIENCY INVESTMENT EASIER	TRACK: HIGH-IMPACT TECHNOLOGIES	TRACK: COLLABORATIONS AND PARTNERSHIPS
7:30-8:30 AM	REGISTRATION/CONTINENTAL BREAKFAST/BETTER BUILDINGS CHALLENGE PARTNER BREAKFAST*			
8:30-9:30 AM	PLENARY/KEYNOTE ADDRESS			
9:45-11:00 AM	9 concurrent sessions; choose 1			
	Effective Water Saving Strategies	Using Whole Building Data for Decision-Making	Commercial Building Re-Tuning: No- to Low-Cost Measures	Leveraging Utility Programs for Industrial Energy Efficiency
	A Lot with a Little: Leveraging Outside Resources to Augment Your Energy Management Program	Emerging Trends in Public-Private Financing Programs	High Performance Street and Area Lighting Upgrades	State Energy Competitive Working Group Meeting 1*
		Industrial EM & V: Process Improvement Focused Energy Efficiency Programs		
	BREAK, 11:00-11:15 AM			
11:15 AM -12:30 PM	8 concurrent sessions; choose 1			
	Energy/Water Nexus: Not Just a Drop in the Bucket	Recent Innovations in the Use of Bonds and Power Purchase Agreements for Clean Energy Initiatives	Reducing Energy Consumption in Restaurants and Kitchens	Putting Green Leasing into Practice
	Real-time Energy Management: Saving Energy Every 15 Minutes	Speaking the CFO Language: Successfully Pitching Energy Efficiency to Decision Makers	Mythbusting Deep Energy Retrofits: A Whole Building Approach is Right for You	
			Evaluating Renewable Energy Options: Building-Integrated Solar and Biogas Energy	
12:30-1:30 PM	REGIONAL NETWORKING LUNCHES / TECHNICAL CAMPAIGN NETWORKING LUNCH / MEET & GREET: FEDERAL PROGRAMS, RESOURCES, FINANCING			
1:30-3:00 PM	8 concurrent sessions; choose 1			
	Tying Energy Efficiency to Compensation and Performance Reviews	Energy Data Access: Helping Building Owners Obtain Whole-Building Energy Data	Next Generation HVAC	Speed-Dating: Learn about Offerings from Better Buildings Challenge Financial Allies*
	Co-benefits Reaped from Energy Planning and Energy Efficiency Technology	Getting to Scale: Energy Investment Partnerships	Combined Heat and Power: A Proven High Impact Opportunity	
			Announcing New Resources to Help You Evaluate Technologies and Design Options	
	BREAK, 3:00 -3:30 PM			
3:30-5:00 PM	9 concurrent sessions; choose 1			
	It's Not Just About Technology: Accelerating Adoption of Energy Saving Approaches in Parking Facilities	Getting Traction in Market Transactions: A Conversation with the Appraisal, Brokerage, and Financial Communities	Maximizing Supermarket Refrigeration System Energy Efficiency	Speed-Dating: Learn about Offerings from Better Buildings Challenge Financial Allies*
	Extending the Benefits of Energy Efficiency Across the Value Chain	Sustaining Clean Energy Initiatives by Recycling Energy Savings: RLFs	Getting to Zero: Net Zero Energy Buildings	Public-Private Partnerships to Catalyze Community-Wide Efficiency
			Making the Case for Building Efficiency Using Modeled Savings Estimates	
5:30-7:30 PM	RECEPTION			

*Closed session or meeting. Members/invite only.

FRIDAY MAY 9, 2014: SECTOR/PROGRAM SESSIONS

	TRACK: PUBLIC SECTOR	TRACK: MULTIFAMILY SECTOR	TRACK: PUBLIC SECTOR	TRACK: CROSS-CUTTING
8:00-9:00 AM	REGISTRATION / CONTINENTAL BREAKFAST			
9:00-10:30 AM	2 concurrent sessions; choose 1	2 concurrent sessions; choose 1	3 concurrent sessions; choose 1	Roundtable: National Laboratory Impact Initiative
	Better Buildings Accelerator: Energy Data Meeting*	Financing Renewable Energy in Multifamily Housing	Benchmarking and Disclosure Programs: Updates from the Field	
	Better Buildings Accelerator: Industrial Superior Energy Performance Meeting*	Passive House, Living Building Challenge, Net Zero, and Other Aggressive Green Building Standards	Stimulating Statewide Energy Savings Through Savings Targets and Ratepayer Funded Programs	
			State Energy Competitive Working Group Meeting 2*	
BREAK, 10:30-10:45 AM				
10:45 AM-12:00 PM	2 concurrent sessions; choose 1	2 concurrent sessions; choose 1	2 concurrent sessions; choose 1	TRACK: INDUSTRIAL SECTOR
	Better Buildings Accelerator: Energy Data Meeting*	Green Physical Needs Assessments	Best Practices in Streamlining Access to Energy Data	Partnering with DOE to Engage Suppliers in Energy Efficiency
	Better Buildings Accelerator: Industrial Superior Energy Performance Meeting*	Energy Management and Benchmarking Tools	Planning for A Successful Energy Savings Performance Contract	
12:00-1:00 PM	NETWORKING LUNCH			
1:00-2:15 PM	2 concurrent sessions; choose 1	2 concurrent sessions; choose 1	2 concurrent sessions; choose 1	
	Better Buildings Accelerator: Energy Data Meeting*	Financial Partnerships to Advance Energy Efficiency	Best Practices in Energy Data Management	
		Partnering with your Utility to Get Whole-Building Data in Multi-Tenant Buildings	State and Local Energy Planning	
3:00 PM				

*Closed session or meeting. Members/invite only.
